

#BrunscoStrong T-Shirt Fundraiser

Immediately after Hurricane Florence struck our community, Brunswick Family Assistance began to assist the community and provide them with much needed goods and services. Thanks to the generosity of our community donating the many supplies and volunteering countless hours, we have been able to service over 10,000 individuals.

In order to better help our community in more ways, we will be selling t-shirts with one of our community's favorite graphics on it.

- *Pre-orders on shirts until November 15th*
- *Shirts will be ordered on November 20th from the Logo Shoppe*
- *\$25 per shirt*
- *You will be notified via email when shirts arrive.*

All proceeds from this fundraiser will go to help individuals struggling to pay bills after the impacts of Hurricane Florence.
